

(Sample) ERDs for Part II

Note: These are for guidance only.
YOUR ERD may be different.

Edmund's Electrics

Assumption:

Brand name is the same as manufacturer.

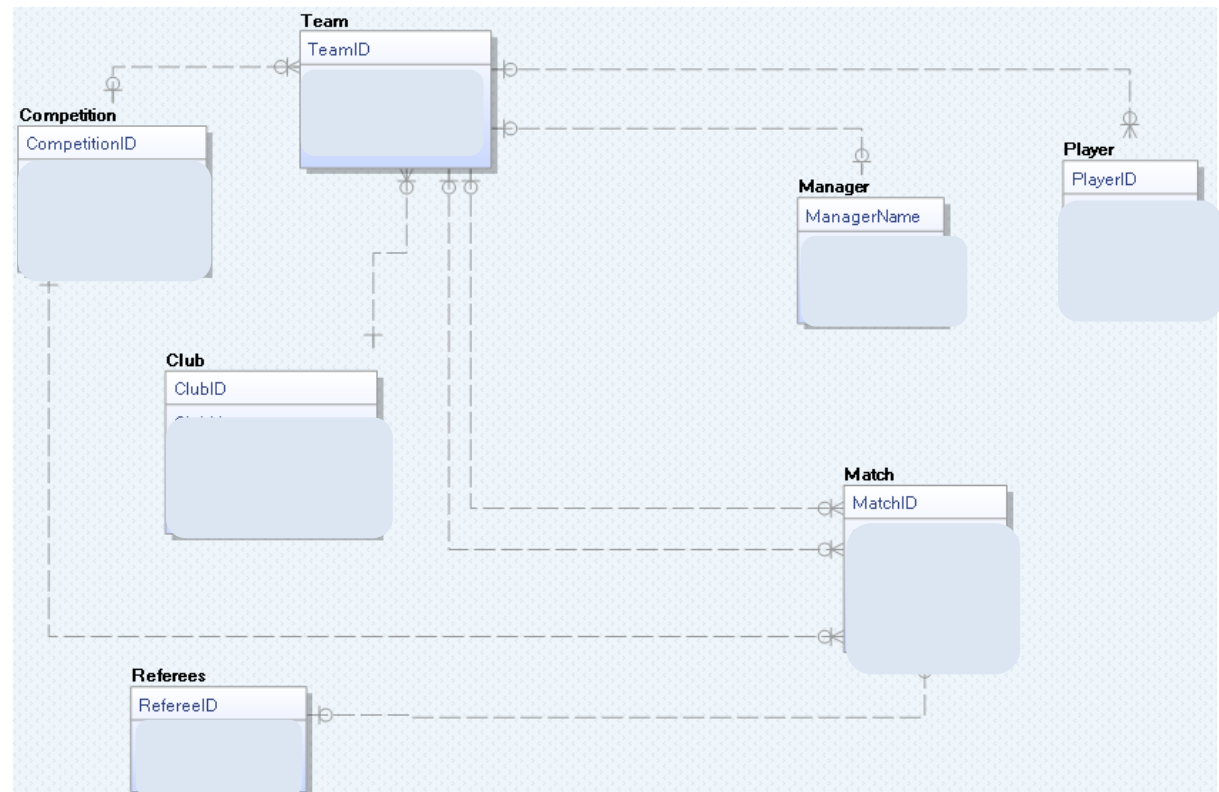

Football Competition

Assumptions:

Clubs create and enter teams for competitions; the team does not exist first and then get entered for a competition. If the same team of players for a club is entered in more than one competition it is given a new ID but can have the same team name.

Venue for the matches is always the home team ground.

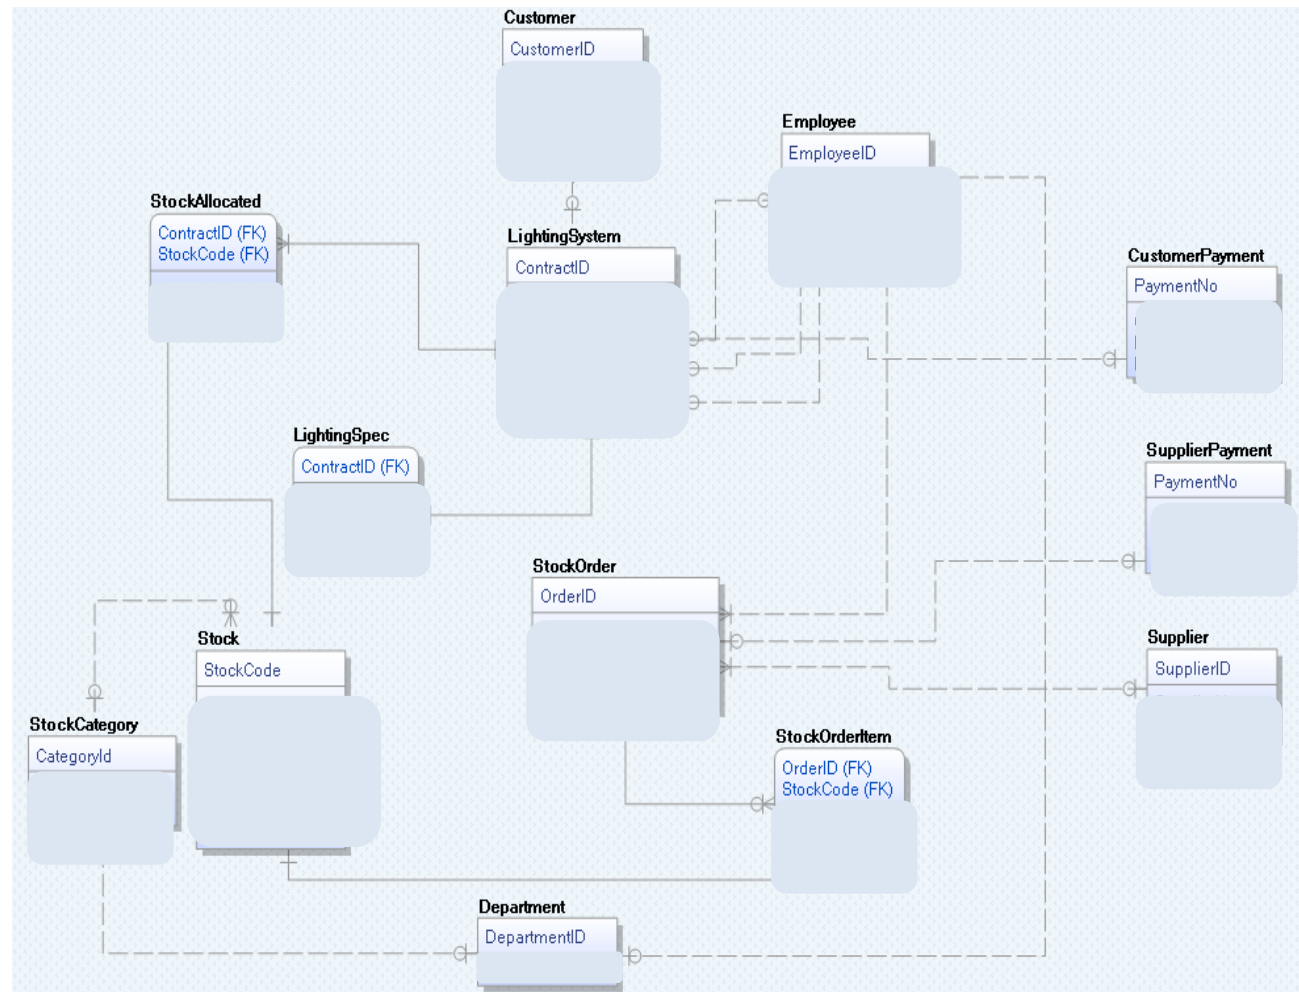

There is not a huge amount of repeat sponsorship but if you wanted to you could have a separate sponsor table.

Linda's Lighting

Assumptions:

Stage of specification development and payment by customer can be managed via ContractStatus. The ledger is split into two tables but could be combined if preferred.

Nursing Home

Assumptions:

Standard dietary requirements are handled as special treatments. Vat etc can be calculated rather than stored.
